Subject: CWGC Identification Case 365 - Lieutenant Alfred Eaves

Dear Mr Laughton,

I'm very pleased to be able to tell you that we have completed the CWGC review of your Identification Case 365 for Lieutenant Alfred Eaves. We believe your submission has merit and have sent it to the Service Authorities for further investigation. Subject to that assessment they will then go to the Joint Casualty and Compassionate Center for final adjudication.

It has taken a considerable time for us to complete the initial review for this case but I hope you are pleased with the positive news. I would like to thank you for your continued patience as we deal with the impact of the very significant increase in our case work over the past few years. We are increasing the number of staff in the Commemorations team which I hope will result in a reduction in the time it takes for cases to be resolved.

Thank you for your support of the work of the CWGC and for your dedicated efforts to ensure that every casualty is correctly commemorated.

With kind regards

Mel
